Higher Education Strategic Planning Goals/ Rev 041510

Identify systematic approaches that enhance & improve the educational pipeline for youth and adult learners.

Provide recommendations for systemic governance reform.

Higher Education Strategic Planning, 2010 Lessen geographic,
economic, and
demographic disparities
in access, attainment &
opportunity to complete
a broader array of
quality educational
programs.

Ensure fiscal stability & affordability of Colorado public higher education into the Future.

Strengthen the link between undergraduate and research programs and the state's economy.
